SUGGESTIONS FOR USE OF INDEX

Articles in this index are arranged alphabetically according to subjects. This is not an index of titles. Each article is indexed under the general subject which the article treats. For example, if the article deals with generator testing it will be indexed under tests, if it treats industrial wiring it will be indexed under *wiring*, etc.

Feature length article and major news items have been cross-referenced to facilitate location of articles without extended search.

The following material has not been indexed.

Personal items.
New equipment.
Book Reviews.
Rate Changes.
Minor Financial News.
Minor Manufacturing Market News.

Related articles have been grouped under such headings as:

Appliances—All articles dealing with ranges, water heaters, ironers, etc., are indexed under appliances, rather than under the type of appliance discussed.

Associations, Societies and Governmental Agencies—Major News items and articles relating to this group are indexed under the individual organization name.

Court Decisions and Suits—Major items are indexed under the name of the company involved.

Public Utilities—Articles dealing with individual power companies, and with their related activities, are indexed alphabetically under the company name and *not*, as formerly under the heading Public Utilities.

Rural Electrification—All articles dealing with various phases of supplying service to rural areas are indexed under this subject head.

Statistics—All articles dealing with any type of statistics are indexed under Statistics, regardless of the general subject class that the article falls under.

Steam Stations and Developments, Hydro Plants and Developments — Articles about generating stations are listed under one or the other of these heads, according to the type of station.

Following the main index is an index of authors of signed articles. In this index the exact title is listed.

GENERAL ALPHABETICAL INDEX

A

Accounting

Let's take a new look at accelerated amortization accounting. W. F. Stanley, June 30 ... 73
Single form provides accounting short-cut, June 30 ... *94

Advertising:

An ad puts a question to all Americans (N) Apr. 21 ... *119
Campaign that aims to make Florida a community of smiles. Lewis Inabnit, Mar. 3 ... *16
Can America escape socialism? an ad, June 2 ... *76
Cincinnati Gas & Electric combines showmanship with promotion. E. W. Hodgetts, Apr. 28 ... *22
Consolidated Edison ads feature pictures (N) Mar. 17 ... 42
Graph-o-blocks visualize a company's gains (N) Feb. 18 ... *40
Mailing piece once a week helps to sell rural market. R. L. Coe, June 30 ... *107
Other uses of car cards stretch promotion dollars. C. L. Richey, June 16 ... *132
Pennsylvania Power & Light's message of business enterprise, June 2 ... *120
Southern California Edison's display department, Apr. 14 ... *16
Truman begins private power attack (N) June 2 ... *70
Truman's stand on ads attacked by advertising groups (N) June 23 ... 9
West Penn Power billboards sell adequate wiring and other services. Y. L. Ripley, Jan. 7 ... *39

Air Conditioning:

Gibson announces room air conditioner (N) June 23 ... 39
Low cost homes can have air conditioning, too, May 12 ... *39
Packaged home heating and air-conditioned unit, Feb. 25 ... 119
Production efficiency increased by air conditioning hosiery mill. L. Albertson, Jan. 14 ... *120
Air lines outdoors kept from freezing by alcohol. N. W. Crumbaker, Feb. 25 ... *112

Aluminum:

All-aluminum conductors for overhead line construction (R) June 30 ... 90
Better connector life vital to the use of aluminum in distribution. C. E. Baugh, June 2 ... *82
DEPA adopts new allotment procedure (N) Mar. 3 ... 7
The "how to" of aluminum in distribution. C. E. Topping, Feb. 11 ... *87
Lamp bases of aluminum, Jan. 14 ... 127
"Let's decide to like aluminum". Bathe & Brady, Jan. 14 ... *85
PEA discusses aluminum question (N) Feb. 25 ... 74
Reynolds Metals Co. new plant in Jamaica, June 16 ... *238
Use more aluminum, less copper, Jan. 7 ... 7
Wiring of aluminum pushed by government officials (N) Apr. 21 ... 110
American Gas Assn.—Edison Electric Institute Accounting conference (N) Apr. 21 ... *117
American Gas & Electric making film on the part the electric utility plays in the community, Jan. 7 ... *22
American Institute of Electrical Engineers Democracy in AIEE (Ed) Mar. 10 ... 88
Equipment designs and materials command interest at meeting, Feb. 11 ... *83
Iowa Section meets (N) Mar. 10 ... 97
Northeastern District meeting (N) May 12 ... *15
Southwest District meeting (N) Apr. 28 ... *18
Three sections celebrate golden anniversaries (N) Apr. 14 ... 9
American Power Conference—First conference in Chicago (N) Apr. 7 ... *98
American Public Power Assn. convention (N) May 19 ... *127
Appalachian Electric Power—acetate overlay permits easy revision of system map. T. M. Roberts, Mar. 10 ... *122
Hikes pay (N) May 26 ... 41

Appliances:

All-electric cooking equipment at restaurant. R. W. Stewart, Apr. 21 ... *162
Attic fan, Mar. 24 ... *164
Calcinator-home waste disposal, Mar. 24 ... *117
The case for power company merchandising. C. A. Harrison, Mar. 24 ... *116
"Chef Schools" train Georgia Power sales personnel, Apr. 7 ... *174
Chicago Electric Assn. uses contests to spark appliance selling, Feb. 4 ... *35
Cincinnati Gas & Electric combines showmanship with promotion. E. W. Hodgetts, Apr. 28 ... *22
Commercial cooking easy to sell now (N) May 12 ... 40
Commercial cooking equipment inspection service cuts repairs. G. W. Riley, Feb. 25 ... *82
Commercial cooking sales effort urged (N) Mar. 3 ... 18
Dealer-utility plan of Orange & Rockland Electric Co. sells a lot of appliances. V. C. DeMouth, Mar. 10 ... *138
Electric Home Appliances Reference Manual, May 5 ... 134
Employee range sales reflected in dealer sales. W. G. Parry, Apr. 7 ... *170
General Electric reports improving retail sales, June 30 ... 106
Heart sufferers aided by special electric kitchen, Apr. 14 ... *28
How Boston handles appliance servicing. J. G. Waddell, Mar. 31 ... 41
Installment buying regulation has been lifted (Ed) May 19 ... 116
Los Angeles man installs complete electrical equipment in his home, Mar. 17 ... *22
McCall's Magazine contest offers electric appliance as prize, Jan 14 ... *125
Merchandising vs non-merchandising power companies (chart & table) Mar. 24 ... *122
Missouri Valley Electric Assn. pushes food service (N) Feb. 25 ... 70
Movies to build appliance sales (N) Mar. 3 ... 36
New appliance lines make their bows in Chicago, Jan. 28 ... *186
"New World Home" promises $1 a day revenue. R. L. Coe, Mar. 17 ... *38
1951 appliance sales drop from 1950 (tables) Jan. 21 ... 38
Pennsylvania Power & Light sets selling sights high. J. M. Stedman, Mar. 24 ... *120
Percentage of yearly sales of appliances by months (charts) Apr. 14 ... *39
Polisher which is vacuum driven, Apr. 21 ... *165
Prices—only selling can cure this condition (N) June 23 ... 35
Ranges compared—electric and gas—cooking costs. M. R. Norton, Jan. 7 ... *35
Range and laundry installation manuals, Apr. 7 ... 176
Sales course for Chicago dealers, June 2 ... 120
Selling's the word for '52 (Ed) Feb. 11 ... 70
The "10,000 kwhr home", Jan 14 ... 125
Union Electric of Missouri announces resumption of appliance merchandising, Feb. 18 ... *38
Water heaters for commercial users, June 30 ... 107
Water systems promotional program (N) May 12 ... 40
What my dishwasher means to me. Mrs. C. R. Riggle, Mar. 24 ... *162
Appliances see also Rural Electrification
Arizona Public Service Co. formed from merger of two companies (N) Feb. 18 ... *7
Arkansas Power & Light battered by tornadoes (N) Mar. 31 ... 16
Repairing the damages from tornadoes (N) Apr. 7 ... *100
Arkansas Power & Light and Southwestern Power Administration make pact with Reynolds Metals Corp. (N) Feb. 4 ... 8
Atlantic City Electric Co. expands its territory (map) May 12 ... *22

Atomic Energy Commission:

Authorizes construction of submarine reactor at West Milton, N. Y. (N) Mar. 3 ... 16
Canadian asserts atomic research on industrial use of energy should be exchanged more freely (N) June 16 ... 99
Conference on Nuclear Energy at

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Michigan State College (N) June 3 ... 24
Detroit Edison sets up Nuclear Power Dept. (N) June 30 ... 57
Gaseous diffusion plant's power needs can be supplied in three different ways (N) May 26 ... 7
Idaho reactor testing station produces electricity, Jan. 7 ... 10
Idaho reactor testing station produces useful power (N) Jan. 14 ... *79
Location of gaseous diffusion plant may be in the Ohio River Valley (N) Apr. 21 ... 110
Needs additional power to meet demands (N) June 16 ... 97
Telecast of A-bomb blast dimmed by power failure (N) May 5 ... 81
Twenty-three patents released (N) Mar. 31 ... 15
Atomic Energy Of Canada, Ltd.—Chalk River Atomic Energy Research Project builds a reactor (N) Mar. 10 ... 93
Atomic Energy Institute planned (N) June 23 ... 21
Atomic power—Detroit Edison and Dow Chemical Co. continue atom study (N) May 6 ... 78
Kidde, Walter & Co. sets up nuclear labs (N) Apr. 28 ... 34

Awards:
AIEE to give Edison Medal to Dr. C. F. Wagner (N) Jan. 21 ... 15
Americanism has meaning for contest winner, Apr. 7 ... *176
Coffin Award goes to Pacific Gas & Electric, June 9 ... *7
Coffin Award presented to G.E. employees (N) Mar. 17 ... 30
Eta Kappa Nu awarded to L. G. Gitzdanner (N) Jan. 21 ... *15
Freedom Foundation awards presented to utilities (N) Mar. 3 ... 43
Georgia Power wins Safety Award (N) May 26 ... *41
Illuminating Engineering Society medal to go to H. H. Magdsick (N) June 30 ... 60
Lamme Medal goes to A. E. Silver (N) Mar. 31 ... *15
McGraw Distributors Medal given to George F. Hessler (N) June 23 ... *18
McGraw Medal for Cooperation given to Joseph S. Schuchert (N) June 23 ... *15
NEMA announces the winners of the lighting award (N) May 5 ... 83
Posthumous medal to streamliner hero (N) Feb. 4 ... *9
Public Utilities Advertising Assn. announces winners of 1952 Better Copy Contest (N) May 19 ... 122
Southern California Financial Writers' award given to W. C. Mullendore (N) June 9 ... *42
Window display contest featuring NCAA football telecasts won by Georgia Power man (N) Apr. 28 ... *36

B

Bearing resurfacing saved by access holes, C. W. Smith, Jan. 14 ... *104
Betatrons—Ex-ray inspection of Army tank armor castings speeded by betatrons, May 5 ... 137
Black Hills Power & Light keeps in touch with customers' news (N) Apr. 21 ... 118
Boston Edison Co. reorganizes (N) Mar. 17 ... 29
Busbars and buses—Disconnectible bus links developed by BPA permit isolation of transformers, J. A. Gerber, Apr. 21 ... *146
Bushings—Homemade roof bushing saves about $800, A. M. McCabe, June 16 ... *146
Modifications reduce corona, G. R. Deinema, June 2 ... *104
Business will be good in 1952, Feb. 4 ... *7

C

Cables:
Aluminum service drop cable made up by Consolidated Edison Co., May 19 ... *180
Bell and spigot aids pipe-type cable installation, W. D. McCully, Mar. 10 ... *118
Channel submarine cable may interconnect Britain and France, J. H. M. Sykes, Apr. 14 ... *32
Improved techniques save time and effort in pipe-type cable job, Welling & Geering, Mar. 10 ... *116
"Load lugger" handles large reels of cable, Mar. 10 ... *133
Locating ground faults in buried nonmetallic cable, Herschel Thomas, May 5 ... *124
Magnetic device locates ACSR joints accurately, A. S. Runciman, May 19 ... *176
Measure cable pull tension with jacks, H. H. Cox, Mar. 10 ... *122
161-kv pipe-type cable for Air Force, Tenn., Mar. 24 ... *128
Simple but foolproof scheme backs up cable relaying, George Steeb, June 30 ... *76
Submarine cable to be tested by BPA (N) Apr. 14 ... 34
Test 115-kv cables with 250-kv mobile unit, J. C. Parker, Jan. 14 ... *105
Use more aluminum, less copper, Jan. 7 ... 7
Canada—Production reaches record level (N) Mar. 24 ... 105
Quebec centralizes its field services, May 19 ... *120

Capacitors:
Automatic capacitors increase circuit capacity, Edwards & Brooks, Apr. 7 ... *146
Bus regulation plus capacitors takes care of system voltage, Pattison & Reed, May 19 ... *147
Capacitor switching benefits whole system investment, Smeloff & Ramsaur, May 19 ... *161
It pays to switch capacitors says Texas utility, P. H. Underwood, Mar. 10 ... *101
Series capacitors relieve street lighting overload in Portland, Ore., A. D. Fragall, May 5 ... *114
Switched capacitors packaged for low installation costs, R. A. Munster, Feb. 25 ... *84
What control is best for switched capacitors? Tremaine & Cuttino, June 16 ... *120
Cape and Vineyard Electric Co.—blizzard browns out service (N) Mar. 10 ... *97
Carolina Power & Light Co. by absorbing Tide Water Power Co. reaches the coast (map) Mar. 3 ... *8
Carrier current—Carrier frequency monitor proves very useful, H. J. Sutton, Feb. 11 ... *110
Centennial of Engineering—Dr. Bush takes a look ahead (N) Apr. 28 ... 15
Central Maine Power Co.—Maine's power needs can be met by utilities (N) June 30 ... 58

Circuit Breakers:
Bushing modifications reduce corona, G. R. Deinema, June 2 ... *104
Circuit breaker fits plug-type fuse holder, R. C. Ingwersen, June 16 ... *126
Insulating breakers save time and copper, Apr. 21 ... *157
Cleveland Electric Illuminating Co.—Employee education stressed, Apr. 7 ... *103

Coal:
Coal-pulverizer ball classifying job, J. R. Osbourn, Feb. 25 ... *102
Deflecting plates prevent clogging in coal crusher, Scales & Steen, Mar. 24 ... *140
Lignite coal: power boiler applications, J. M. Drabelle (R) Feb. 25 ... 104
Lignite properties and application data, J. M. Drabelle (R) Feb. 11 ... 114
The Perfect Fuel (Ed) Mar. 10 ... 88
Underground gasification of coal is an economic possibility, Mar. 3 ... *32
Commonwealth Edison Co.'s Ridgeland Station (N) June 30 ... *58
Commonwealth Edison Co. and Public Service Co. present display of power at Museum of Science & Industry, Jan. 21 ... *22
Concrete cutter, Feb. 11 ... *116
Condensers—Neoprene prolongs condenser tube life, Feb. 11 ... *119
Seal condenser inlet during chemical washing, W. E. Adams, Jan. 28 ... *172

Conductors:
All-aluminum conductors for overhead line construction (R) June 30 ... 90
Choice of right wire size simplified by charts and tables, A. T. Green, May 19 ... *154
Cleaning aluminum conductors in the field, Lummis & Baskette, Jan. 28 ... *177
"Let's decide to like aluminum" Bathe & Brady, Jan. 14 ... *85
Skimping on conductor sizes cramps transmission capacity, R. M. Butler, Feb. 25 ... *90
Use more aluminum, less copper, Jan. 7 ... 7
Connectors—Better connector life vital to the use of aluminum in distribution, C. E. Baugh, June 2 ... *82
Consolidated Edison gets DEPA permission on anti-smoke program (N) May 12 ... 34
Has a dust collector (N) Feb. 4 ... *10
Honors athletes (N) June 30 ... *31
Smoke case ruling put off (N) June 16 ... 100

Construction:
Cost index a valuable tool (N) June 30 ... 55
Estimates for 1952 construction (charts & tables) Jan. 28 ... *125
Federal power budget sought for 1953, Jan 28 ... 114
Private, municipal, state and power district construction expenditures in 1951, Jan. 28 ... *123

Controlled Materials Plan:
Class I utilities asked to file three quarters CMP needs (N) Jan 28 ... 117
Controls are on their way out, Mar. 31 ... *7
The end's in sight (N) Mar. 10 ... 94
Metals for power agencies (table) Jan. 21 ... 9
Utilities warned to keep inventories within limits (N) Apr. 14 ... 8

Controls:
Alarm indicates outage and restoration to brooders, W. R. Kollmayr, May 5 ... *133
Design of the control room (Ed) Apr. 21 ... 106
Detroit Edison installs system control that allocates changing load among 29 generating units, W. J. Campbell, Jan 7 ... *32
Electronic control cuts sawing costs, Apr. 21 ... *160
Electronic drive improves nylon quality, Apr. 7 ... *166
Keep yesterday's instrument out of today's power plant, T. Y. Mullen, Apr. 7 ... *108
Operating errors, W. B. Morton, June 30 ... 134
Power centers and motor control centers give flexibility to meet load changes, J. C. Marshall, May 19 ... *196

Copper:
Allocators plan to cut supply estimate (N) Jan. 21 ... 9
High voltage lighting can halve copper usage, R. R. Lang, Mar. 10 ... *104
More copper is on the way (N) Jan. 14 ... 84
NPA cuts copper use for lighting fixtures (N) Feb. 11 ... 81
Savings with copper-covered steel wire, Mar. 10 ... 170
Wiring group proposes new copper formula (N) Feb. 18 ... 40
Customers in 1950 and 1951 (charts & tables) Jan. 28 ... *146

D

Dayton Power & Light plans expansion (N) Feb. 11 ... 79
Defense—Northwest power body studies disaster plans (N) Jan. 21 ... 40
Defense Electric Power Administration—Gears plants to power supply (N) Apr. 14 ... 7
Materials allotment procedure changed (N) Mar. 3 ... 7
Defense Mobilization Advisory Board—Charlie Wilson quits (N) Apr. 7 ... *96

Defense Production Administration:
Committee created to see that industry gets the necessary materials (N) Apr. 14 ... *7
Controls are entering the final phase (N) May 19 ... *121
Joint Congressional Committee reports on power, Jan. 21 ... 10
Power expansion gets a green light, Mar 24 ... *108
Detroit Edison goes to court over line case (N) May 26 ... 9
Sets up Nuclear Power Dept. (N) June 30 ... 57
Diesel-engine generators aid sub-stations cutover, L. M. Robertson, Feb. 25 ... *106

Distribution Systems:
All-aluminum conductors for overhead line construction (R) June 30 ... 90
Better connector life vital to the use of aluminum in distribution, C. E. Baugh, June 2 ... *82
Capacitor switching benefits whole system investment, Smeloff & Ramsaur, May 19 ... *161
Choice of right wire size simplified by charts and tables, A. T. Green, May 19 ... *154
Construction of distribution systems 1946-1950 (charts & tables) Jan. 28 ... *134
Distribution auxiliaries lack uniformity (Ed) June 16 ... 92
Distribution design should be based on distribution performance, Heller & Dodds (charts) May 19 ... *144
Distribution for tomorrow, May 19 ... *131-166
Distribution map-board uses colored plastic strips on white plyboard, M. N. Townsend, June 30 ... *86
The economic outlook (charts) May 19 ... *133
Five ways to set poles in swampy and sandy soils, Pittsburg, Gillespie & Pollock, June 30 ... *80
The "how to" of aluminum in distribution, C. E. Topping, Feb. 11 ... *97
Improved distribution protection (Ed) May 19 ... 116
It pays to switch capacitors says Texas utility, P. H. Underwood, Mar. 10 ... *101
"Let's decide to like aluminum," Bathe & Brady, Jan. 14 ... *85
Low cost service mast meets code clearance, G. M. Doyal, June 16 ... *138
Ornamental tree species more common along overhead lines, G. H. Blair (R) Apr. 7 ... *152

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Ornamental tree species more compatible with overhead lines. G. B. Blair (R) Apr. 12 ..... *150
Pole-top skimping may save money but cost accidents. Smith & Hennessy, May 19 ..... *163
Radio adjusts regulator compensation. Phillips & Peterson, June 2 112
Raising distribution to 12 kv has many facets—explore them all. F. E. Sanford, May 19 ..... *141
Reclosers reduce distribution interruptions to practicable minimum. Francis & Lameika, May 19 ..... *156
Reclosers too need maintenance. R. C. Kirk, June 2 ..... *79
Rural distribution system design is elastic. W. M. Edmunds, May 19 ..*158
Secondary system is best established segment of distribution. Harold Cole, May 19 ..... *152
Seven devices ease house-service installations. J. H. Seitz, June 2 ..... *110
Storage racks cut coil handling. A. J. Scott, Feb. 23 ..... *106
13.2-Kv system does the job in swiftly growing Levittown. A. J. Pansini, May 5 ..... *92
Three phase distribution transformer connections (R) Jan. 14 ..... *112
Three steps to improve regulator applications. H. C. Brem, May 5 ..... *124
Use 120-v outlets in street lighting standards supplied from underground network. L. Y. Grove, Feb. 11 119
Voltage rise chart for 4-kv, 3-ph feeders. H. L. Swicegood (R) June 16 ..*136
Duty of aluminum for line repair. H. H. Gnuse, June 30 ..... *97
Drilling with dust eliminated. C. B. Talley, June 16 ..... *143

Ducts and Manholes:

Keep transformer manholes clean and ventilated. G. H. Pearsall, Jan. 28 ..*160
Pull-boxes substituted for manholes effects savings at Southern California Edison. R. C. Blankenburg, Feb. 11 ..... *116

E

Edison Electric Institute—Convention report, June 16 ..... *105
Convention (N) June 23 41
Cooking Conference (N) May 19 127
Electrical Equipment Committee meets in Cincinnati (N) Feb. 25 73
Engineering committees meeting (N) May 19 ..... *125
Power Survey (chart) June 2 ..... *72
Sales conference (N) Apr. 14 ..... *40
Apr. 21 *120
Transmission and Distribution Committee meets (N) Mar. 3 ..... *21
70th annual convention (N) June 16 .. *96
Edison Science Week—pilgrimage to Nela Park (N) Mar. 3 ..... *41
Education—where industry and education meet. D. W. Malott, June 16 ..... *111
Electric Bond & Share plan filed with SEC (N) May 5 87
Electric Companies Public Information—Production for Freedom Week gets Chamber of Commerce support (N) May 5 85
Electric Consumers Conference, June 9 ... 9
Electricity—Industry stages a display of power at Museum of Science & Industry, Jan. 21 ..... *22
Improved gas cell is basis for development of new electricity producing process (N) June 23 24
Electrostatic atomization used to paint metal, Jan. 28 ..... *184
El Paso Electric makes pact with U. S. Bureau of Reclamation for power (map) Apr. 14 ..... *10

Employees:

Climbing record. Harold Darst, Apr. 21 ..... *206
Executives' pay gains the least, survey shows (N) Mar. 17 35
Fringe benefits present problem for revenue men (N) May 12 38
General Electric starts program to provide job satisfaction for employees (N) Apr. 28 41
Hourly earnings in U. S. dollars of foreign manufacturing workers (table) Feb. 25 67
Joint Industry Board offers more scholarships (N) Feb. 11 76
Labor contracts and terms—1951 (table) Jan. 28 150
Master maintenance in electric utilities not supervisors—NLRB (N) Mar. 31 21
New York State Electric & Gas Management forum, Apr. 28 ..... *16
Palmer named to head anti-bias labor unit (N) Jan. 21 8
Ruling holds foreman can't help other union (N) Jan. 21 35
Strike menaces the industry (N) June 30 56
UE wins round from IUE (N) June 9 .. 40
Unions fight public power ownership (N) Apr. 14 ..... *15
Use customers and capacity to gage labor utilization. C. P. Guercken, Mar. 10 ..... *108
Wages and hours worked 1935-1951 (chart & table) Jan. 28 ..... *150
Westinghouse files suit against IUE (N) June 9 40
Westinghouse raises wages (N) May 12 38

Energy:

Production of energy 1937-1951 (chart & tables) Jan. 28 ..... *146
Sales of energy 1938-1951 (charts & tables) Jan. 28 ..... *142
Ten year forecast for the electrical industry (charts & tables) May 19 ..*136

Engineers:

Firating of engineers studied by Office of Salary Stabilization (N) Mar. 17 35
Power advances rank 2nd in poll of editors (N) Jan. 21 15
Schools receive engineering poster (N) Apr. 28 ..... *41
Skilled personnel scarcity (N) June 9 40
United we stand. L. A. Warner, Apr. 7 224
Equipment—EEI survey of electrical equipment (table) June 9 46
Europe—Upping the West's power supply, Feb. 18 ..... *16
Exciters—Large generator units force shift to motor-driven flywheel exciters. G. B. Miller Jr. May 5 ..... *98

Exports:

Exports and imports of electrical generating and transmitting equipment (table) Feb. 25 68
Foreign goods for U. S. P. R. Sidler, Mar. 24 212

F

Federal Power Commission:

Buchanan named to head FPC (N) Jan. 14 ..... *78
Buchanan reappointment seen (N) June 30 58
Dale E. Doty becomes commissioner (N) Feb. 18 ..... *10
(N) May 19, 123 (N) May 26 *10
Plan for standardizing federal power development (N) May 19 124

Financial:

Electric utility depreciation practices (N) May 19 119
Let's take a new look at accelerated amortization accounting. W. F. Stanley, June 30 73
N. Y. savings banks—a new market for equities (Ed) May 5 73
Prospective buyers must see advantage in buying utility securities (N) May 26 9
Revenue from electricity sales 1938-1951 (charts & tables) Jan. 28 ..... *142
Revenues of the electric utilities 1946-1950 (charts & tables) Jan. 28 ..... *154
Security analysts make field tour of utilities (N) June 23 ..... *22
Sporn expects stable economy in 1952 (N) June 2 77
Florida Power Co.—Clapp assumes the presidency (N) Jan. 14 ..... *84
Florida Power & Light—campaign to make Florida a community of smiles. Lewis Inabit, Mar. 3 ..... *16
Pictures the future (N) Mar. 31 ..... *36
Voted franchise (N) Jan. 7 24
Foreman—Research Institute of America shows problems facing foreman, Mar. 31 21
Formosa utility to get Westinghouse equipment (N) Mar. 3 41
France—Power to be distributed by the Department of Vienne (N) Apr. 14 .. 34

Fuel:

Improved gas cell is basis for development of new electricity producing process (N) June 23 24
Our fuels won't last forever, Apr. 21 .. 136
Output from fuel, capacity, average use 1939-1951 (charts & tables) Jan. 28 ..... *148
Underground gasification of coal is an economic possibility, Mar. 3 ..... *32
Fuses—Pole-mounted container holds cut-out fuses. C. C. Darrah, Mar. 24 ..*150
Test cartridge fuses with modified flashlight. Arnold & Lease, Feb. 25 ..... *98

G

General Electric plugs mechanization (N) May 26 ..... *47
Sets new mark (N) Mar. 3 9

Generating Capacity:

Changes in capacity during December, Feb. 25 74
Generating capacity by regions, by ownership and installed capacity 1936-1951 (charts & tables) Jan. 28 ..... *128
Number and installed capacity of electric utility generating plants by states and types of prime mover 1951 (table) Jan. 28 130

Generators:

Diesel-engine generators aid substations cutover. L. M. Robertson, Feb. 25 ..... *106
General Electric shows the manufacturing time for an 80,000-kw turbine-generator, Feb. 4 ..... *22
Large generator units force shift to motor-driven flywheel exciters. G. B. Miller Jr., May 5 ..... *98
Lift a stator by its bootstraps. G. W. Jones, Mar. 10 ..... *128
Low short-circuit ratio is practical for today's turbine generators. Crary & McClure, June 30 ..... *65

Generators see also Railways

Georgia Power Co. and Southeastern Power Administration battle for customers (N) Mar. 10 92
Germany—Power deficit slows German defense, Jan. 7 ..... *9
Gloves—Pressure regulator in a glove tester, June 2 ..... *81
Testing cage protected by lights and electric eye, Jan. 14 ..... *114

Government Controls:

How does the next president stand on federal and private power? (N) June 23 ..... *6
Let's look into the crystal ball! J. E. Corette, June 16 ..... *113
Niagara controversy has many implications. E. J. Machold, June 16 ..... *109
Politics and business—two languages. W. F. Bennett, June 16 ..... *112

Air drying with convection-type heater, May 19 196
Asphalt heating in portable electric melting pot, May 19 196
Asphalt melting pot, Apr. 21 ..... *160
Bacteria control of table syrup by lamps, Jan. 14 122
Bactericidal lamps improve syrup quality, Mar. 10 ..... *137
Baking TV picture tubes in an electric oven, Mar. 24 ..... *158
Bin heating for clay storage by strip heaters, Apr. 21 161
Bulb cooking held at correct temperature, Jan. 14 ..... *127
Cathode ray tubes bake TV picture tubes, Mar. 10 137
Ceramic paste firing June 30 104
Chute heating with electric strip heaters, May 5 137
Cutting steak with electrically produced heat, June 2 118
Degreaser cuts time 60%, May 19 ..... *196
Degreasing sheet metal products in conveyor type infrared over, May 5 137
Drying gun carriages with rod-type resistance heaters, Apr. 7 ..... *168
Electric boiler superheats steam for paint spraying. F. J. Jolly, May 19 194

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Glue company uses electric steam generators for process steam, Jan. 28 184
Glue drying on cabinet wood panels, June 16 158
Glue drying time cut by r-f heat, L. Albertson, June 30 ..... *104
Growth of sales of electric heaters (Ed), June 16 92
Gun carriages dried with rod type resistance heaters, Feb. 11 126
Heating air line with a heating cable, Feb. 25 122
Heating cable de-ices crane rails, R. H. Masters, June 30 ..... *100
Heating compressed air with resistance heaters, Jan. 28 184
Heating pipes used for outdoor crane trolleys, June 16 158
Hot foot vulcanizes foam-rubber shoe soles, Feb. 25 ..... *120
Hot spray process reduces painting costs, F. J. Jolly, June 16 ..... *156
House heating
Cleveland realtor pushes electric house heating (N) Apr. 14 39
Comfort heater cuts floor drafts, June 2 ..... *114
Drive-in theater car heaters permit year round operations, Mar. 24 ..... *156
House heating costs (Ed) June 2 65
House heating costs checked by Consolidated Edison, Carroll & Nimphius (tables) May 5 ..... *102
Infrared lamps for comfort heating in small printing plant, Apr. 7 168
Office heating using electric air heaters June 30 ..... *100
Office heating with electric air heaters, June 16 158
Radiant glass panels heat drafting room, Mar. 10 137
Radiant heat panels cut housing costs 10%, Feb. 25 ..... *86
Radiant heater bolted to punch press located in open factory area, Apr. 7 168
Radiant heater to cut floor drafts, Apr. 21 161
Radiant heating drafting room, Apr. 7 ..... *168
Space heating offices with electrically heated hot water, Mar. 24 188
Immersion heaters in plating baths, June 2 118
Immersion heating units to prepare oxygen for steel, Apr. 21 161
Induction heater ups coupling bolt production, Jan. 28 ..... *182
Infrared lamps—Aid wax removal, June 2 ..... *114
Bake armatures better, May 5 ..... *136
Conveyor belt heating, Jan. 14 122
Cuts shoe drying time, June 2 118
Dry cloth fast, Apr. 21 161
Dry plastics, May 19 196
Dry soggy football fields, Jan. 14 ..... *122
Dry photographic film, Mar. 10 137
Reheat food in cafeteria, Apr. 7 168
Spot heat cellophane rice bags, Feb. 25 122
Tunnel drys steel coating of automobile bumpers, Apr. 7 168
Radiant heaters speed rug drying, June 2 ..... *118
Radiant oven cuts carborundum drying costs, May 19 ..... *194
Lubricant removal by electric immersion units, June 30 104
Molasses heated electrically, Feb. 1 ..... *124
Molasses heating with electric heating elements, Jan. 14 122
Platen cleaning with salt bath electric furnace, June 2 118
Ramp heating with soil-heating cables, Feb. 24 122
Salt bath electric furnace speeds platen cleaning, May 19 ..... *194
Sand core baking at conveyor speed, Feb. 25 122
Soil heating cable for better farming, E. M. Alexander, Mar. 31 ..... *42
Soil-heating cable warms coolant in tank and saves money, G. W. Craiglow, Mar. 10 ..... *136
Steam making with an electric steam boiler, May 19 196
Strip heater removes snow from automatic ice cubing machine, June 2 118
Sweet potatoes sprout in nine days with electric soil-heating cable, M. O. Whithed, June 23 ..... *45
Ultraviolet lamps for meat production, June 30 104
Ultraviolet lamps help sauerkraut aging, Apr. 21 161
Ultraviolet protects meats, Jan. 28 ..... *184
Unit heaters aid truck starting in cold weather, Feb. 25 122
Wax melting controlled by strip heaters, May 5 ..... *137
Wax removal from top of beer cans with infrared lamps, May 5 137
Hoists, electric, speed field inspection, Jan. 14 ..... *118

Holding Act

SEC cleaning up utility holding cases under the 1935 Act (map) June 23 ..... *16
Home service—Home service conference, Apr. 21 ..... *120
Training home economists, Feb. 11 126

Hydro Electric Plants and Developments:

Alaskan Indians get hydro loan (N) May 19 127
Aluminum Co. of Canada begins modern 1.7 million kw underground hydro plant, Jan. 21 ..... *82
Arkansas Power & Light and Southwestern Power Administration make pact with Reynolds Metals (N) Feb. 4 8
Army Corps of Engineers, Bureau of Reclamation team up to beat floods (N) June 2 74

Niagara Mohawk story told in newsreel (N) Apr. 24 35
Northern States Power station swamped by river (N) Apr. 21 ..... *112
Northwest Electric Light & Power Assn.—Engineering and operation section meets (N) May 26 ..... *24

O

Ohio Edison Co. adds to Bellaire steam plant (N) May 5 ..... *89
Otter Tail Power Co. officers elected (N) May 12 ..... *9

P

Pacific Coast Electrical Assn. convention in Coronado, Calif. (N) June 30 .... *59
Pacific Coast Electrical Assn.—Pasadena conference (N) May 5 81
Pacific Gas & Electric sends a Sno-Cat to marooned train (N) Jan. 28 120
Painting metal with electrostatic atomization, Jan. 28 ..... *184
Pennsylvania Electric Assn. committee (N) Mar. 3 10

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Engineering Section meets (N) Apr. 25 ... 15
Industrial Committee meets (N) May 19 ... *128
Joint session of groups (N) Mar. 10 ... 88
Prime Movers Committee meeting (N) June 9 ... 15
Photostat machine cuts copying time. P. H. De Wolt, May 19 ... *180

Poles:

Cedar poles cut initial cost of crossing. Puget Sound Power & Light, Jan. 28 *160
Convert surplus Army vehicles for pole-handling service. V. J. Reilly, Feb. 25 ... *97
Five ways to set poles in swampy and sandy soils. Pilsbury, Gillespie & Pollock, June 30 ... *80
Line fixture cuts pole moving costs. Verne Williams, June 30 ... *99
Long Beach, Calif. women want steel poles not plain wooden ones (N) May 26 ... *10
Staple puller facilitates removal from creosoted pine pole. C. B. Judd June 2 ... *104
Truck tractor and crane carry poles over winding roads. M. M. Zellers, Apr. 21 ... *146
Utilities asked to list treated-pole needs (N) Feb. 11 ... 78
Yoke makes pole moving easier, June 16 ... *150

Power—Iowa forecasts power needs (N) June 2 ... 74
Vision in power. Philip Sporn, June 21 *94

Power factor—Operation of steam turbine generators at leading power factor to buck system voltage during light load periods by Pacific Gas & Electric, Mar. 31 ... *18

Power sales—Florida Power launches "Operation Power", Jan. 14 ... 127
Further opportunities for power salesmen (Ed) Feb. 11 ... 70

Power Supply:

Alaska may have power blackout next winter (N) Feb. 11 ... 78
FPA gives power expansion the green light, Mar. 24 ... *108
EEI forecasts December reserve (chart) June 2 ... *72
Electric power expansion in Europe, Feb. 18 ... *16
40% capability hike slated by Washington planners during mobilization period (N) Jan. 28 ... 116
Industry easily handles '51 peak load (map) Jan. 21 ... 7
Joint Committee on Defense Production reports on power, Jan. 21 ... 10
Morehouse Committee believes expansion program is conservative, Jan. 14 ... *76
Nevada may have a power shortage (N) Jan. 7 ... 15

Public Relations:

American Gas & Electric Co. making film on the part the electric utility plays in the community, Jan. 7 ... *22
ANTA forms new division to help industry with anniversaries, conventions, etc. (N) Feb. 18 ... 40
Booklet for company presidents (Ed) Mar. 10 ... 88
Briefing Europeans on power in New Jersey (N) Jan. 7 ... *24
Campaign that aims to make Florida a community of smiles. Lewis Inabnit, Mar 3 ... *16
Carolina Power & Light starts "Finer Carolina" contest (N) Mar. 31 ... 36
Cincinnati Gas & Electric combines showmanship with promotion. E. W. Hodgetts, Apr. 28 ... *28
"Code of courtesy" (Ed) June 30 ... 52
Customers' views transmitted to Black Hills Power & Light by community leaders (N) Apr. 21 ... 119
Does your company have a strong public relations program? H. S. Metcalfe, Jan. 14 ... 90
Help the Chamber of Commerce help the industry (Ed) May 5 ... 47
Kite flying dangers demonstrated by San Diego Gas & Electric (N) Apr. 14 ... *35
Pennsylvania Power & Light says "Howdy Neighbor" (N) June 2 ... 76
Pennsylvania Power & Light sets selling sights high. J. M. Stedman, Mar. 24 ... *120
Public Information Program sponsors Production for Freedom Week—Electrical World checks on plans (N) June 23 ... 10
Put "sparkle" in promotion (Ed) Jan. 28 ... 110
Security analysts make field tour of utilities (N) June 23 ... *22
Street lighting promotion does get results. W. F. Graff, Jan. 14 ... *100
To get cooperation, give it (Ed) May 5 ... 74
Use map to announce interruption, Mar. 10 ... *134

Public Service Electric & Gas briefs—European on power in New Jersey (N) Jan. 7 ... *24
In power pool (N) Jan. 7 ... 10

Public Service of Northern Illinois and Commonwealth Edison Co. present display of power at Museum of Science & Industry, Jan. 21 ... *22

Public utilities—Let's look into the crystal ball! J. E. Corette, June 16 ... *112
Problems faced—promises seen. G. M. Gadsby, June 16 ... *165

Public Utilities Advertising Assn. (N) June 16 ... 161
Convention in Minneapolis (N) May 19 ... *122

Public Utilities District—Shasta Dam favored by voters (N) June 9 ... 43

Puerto Rico Water Resources Authority—Loan made by REA to build lines (N) Mar. 10 ... 86

Puget Sound Power & Light expansion rejected (N) Mar. 24 ... 111
Public power agencies are menacing the company (map) Mar. 31 ... *22
Purchase not joined by Whatcom PUD (N) June 16 ... 103

R

Radar—Utilities to use radar to "see" clouds (N) Mar. 3 ... *7

Radio:

Admiral to sponsor convention TV and radio (N) Feb. 25 ... 119
Channels not unlimited. G. F. Schiffnayer, Jan. 28 ... 252
General Electric sets up microwave system (N) Feb. 4 ... *41
Radio adjusts regulator compensation. Phillips & Peterson, June 2 ... 112

Radio Communication:

Basic requirements for station public address systems. S. C. Hartlett, pt. 1 Jan. 28 ... *178
pt 2 Feb. 11 ... *108
Dispatching system between industrial truck operators and dispatching office, Jan. 28 ... 184
Increase range of mobile radios with a mobile relay station. Atkinson & Dodrill, Feb. 25 ... *78
Radio control speeds industrial trucks, Feb. 11 ... *126

Railway electrification—Let's study railroad electrification (Ed) May 5 ... 74

Railways—Florida Power & Light Co.'s new power cars (N) Mar. 3 ... *18

Rates:

Bonneville power rates may be reduced in 1954 (N) June 30 ... 63
Consolidated Gas & Electric's rates to be reviewed (N) Feb. 18 ... 43
Georgia Power Co. seeks rate rehearing (N) Mar. 10 ... 99
Gulf States Utilities denied rate hike (N) Mar. 3 ... 48
Kentucky bill relays putting rate hikes into effect (N) Mar. 10 ... 99
Not proper rate-making, but it's legal (Ed) June 2 ... 66
Ontario faces rate increase (N) June 30 ... 63
Pacific Gas & Electric rate boost protested by OPS (N) Jan. 7 ... 48
Sensible-izing residential rates (Ed) Apr. 21 ... 106
Supreme Court upholds FPC rate cut in Pennsylvania Water & Power Co. case (N) June 9 ... 42
We put our rates into line with our costs. C. A. Oliver, June 16 ... *118
Wisconsin Electric Power allowed to raise rates (N) Mar 26 ... 42

Rectifiers—Germanium rectifier, Mar. 10 ... 142

Relays—Engineers discuss relay problems (N) Apr. 14 ... *18
Separate relaying scheme coordinated with front-line relaying designed to protect transmission lines. A. J. McConnell, Feb. 11 ... *90
Simple but foolproof scheme backs up cable relaying. George Steeb, June 30 ... *76

Resuscitation:

Add the new but keep the old (Ed) Jan. 28 ... 110
EEI seeks advice on resuscitation (N) Jan. 28 ... 117
Nielsen method wins approval of EEI group (N) June 9 ... 24

Reynolds Metal Co.'s new San Patricio plant dedicated (N) May 19 ... *248

Rockland Light & Power Co.—F. L. Lovett heads company (N) Feb. 25 ... *66

Rocky Mountain Electrical League—Information Group started at Denver conference (N) May 5 ... 84

Rural Electrification.

Alarm indicates outage and restoration to brooders. W. R. Kollmayr, May 5 ... *133
Crop dryers in demand in Virginia. L. L. Koontz, June 16 ... 154
Electric accumulators raise milk profits. L. L. Koontz, Apr. 21 ... *164
Electric panel brooder produces better chicks. W. R. Kollmayr, May 12 ... *39
Farm methods stop right-of-way erosion in Louisiana. R. F. Chaffin, Mar. 24 ... *132
Farm Sales Section at EEI conference, Apr. 21 ... *126
Farm Utilization Committee prepares guide book, Feb. 11 ... 134
Feed handling and grinding with small motors. H. L. Spooner, May 5 ... *109
Half century of farm electrification (map) Mar. 24 ... *114
Hay drier operation explained by Appalachian Electric Power's rural representative. R. J. Blair, May 19 *200
Heat lamp helps to wean lamps, June 23 ... *35
Higher production tied to farm electrification (N) Feb. 11 ... 76
Infrared lamps for chicken brooders built by 4-H members. Kent Blair, Apr. 14 ... *38
Iowa Utilities Assn. offers new grant for farm study (N) Mar. 24 ... 113
Mailing piece once a week helps to sell rural market. R. L. Coe, June 30 ... *107
Model of a farmstead shown by Wisconsin Electric Power Co. Ralph Bowen, Mar. 3 ... *35
Pennsylvania Power & Light sets selling sights high. J. M. Stedman, Mar. 24 ... *120
Pole-mounted container holds cutout fuses. C. C. Darrah, Mar. 24 ... *150
Rural distribution system design is elastic. W. M. Edmunds, May 19 ... *158
Rural line construction 1946-1952 (charts & tables) Jan. 28 ... *136
Soil heating cable for better farming. E. M. Alexander, Mar. 31 ... *42
Sweet potatoes sprout in nine days with electric soil-heating cable. M. O. Whithed, June 23 ... *35
Vegetable feed cutter saves labor. R. T. Jones, Jan. 14 ... *125

Rural Electrification Administration:

Arkansas circuit court holds supercoop cannot build lines for use of Southwestern Power Administration (N) Mar. 17 ... 10
Growth of cooperatives cited at parley (N) May 26 ... 24
Hancock-Wood Electric Co-op news (N) Mar. 3 ... 36
Miss REA of 1952 (N) Mar. 24 ... *107
New Mexico co-op loan approved (N) Apr. 21 ... 113
Northern States Power backs co-ops after U. S. power (N) June 16 ... 101
REA co-ops set record for energy sales in '51 (N) Feb. 4 ... 15
Three generation and transmission loans (N) May 26 ... 34
Work being curtailed (N) May 12 ... 10

S

Safety:

Flow chart highlights tagging rules. J. M. Gronbeck (R) Pt. 1 May 5 ... *120
Pt. 2 May 19 ... *174
Glove testing cage protected by lights and electric eye, Jan. 14 ... *114
Kite flying dangers demonstrated by San Diego Gas & Electric (N) Apr. 14 ... *35
Pole-top skimping may save money but cost accidents. Smith & Hennessy, May 19 ... *163
Safety needs management leadership. Dr. W. A. Cutter, June 16 ... *117
Two keys and interlock assure safety in tests. Stevenson & Hill, May 19 .. *176
Venetian blinds safeguard underground crews, May 5 ... *131
Wisconsin Power & Light receives safety award for employee record (N) May 5 ... 80

Sales Promotion:

The case for the power company merchandising. C. A. Harrison, Mar. 24 *116
Dealer-utility plan of Orange & Rockland Electric Co. sells a lot of appliances. V. C. DeMouth, Mar. 10 ... *138
Hay drier operation explained by Appalachian Electric Power's rural representative. R. J. Blair, May 19 *200
Merchandising vs non-merchandising power companies (chart & table) Mar. 24 ... *122

Saw, circular, drills holes in panels, Jan. 28 ... *164

Scrap:

How to get in the scrap for defense (N) Feb. 11 ... 78
Mobile bins aid storage and loading of scrap. W. C. Stephen, May 5 ... *130
136 tons of Con Ed scrap (N) Mar. 3 .. *24

Seattle City Light—lumber interests lose damage claim (N) Jan. 7 ... 15

Securities & Exchange Commission—Cleaning up utility holding cases under the 1935 Act (map) June 23 ... *16
Schedule of service charges drawn up (N) Feb. 11 ... 79

Sho-Me power proposes to sell part of system (N) Mar. 10 ... 100

Slide rule and calculators collected by superintendent (N) June 16 ... *100

Smoke Abatement:

Consolidated Edison gets a dust collector, Feb. 4 ... *10

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Precipitator speeds fly-ash cleaning, Feb. 25 ... *102
South Carolina Electric & Gas starts steam plant on the Savannah River (N) Mar. 17 ... *8
Sound laboratory in Pittsburgh June 30 ... *126
Southeastern Electric Exchange Engineering & Operating Conference (N) Mar. 24 ... *109
Meeting at Boca Raton, Fla. (N) May 5 ... *82
Southwestern Power Administration—Arkansas circuit court holds supercoop cannot build lines for use of SPA (N) Mar. 17 ... 10
Southeastern Power Administration and Georgia battle for customers (N) Mar. 10 ... 92

Standardization:
ASA official describes the activities of India, Australia and New Zealand associations (N) June 23 ... 34
President of ASA calls on American firms to show leadership in international standardization (N) June 20 ... 60
Standards cut costs for industry, Feb. 4 ... *32
Transformer standards changed by DEPA (N) Mar. 17 ... 46
Station yard kept weed-free by salt and limestone, G. E. Hervey, Feb. 25 ... *98

Statistics:
Changes in households, families, and couples, June 2 ... 69
Cincinnati Gas & Electric dedicates Beckjord Station (N) June 30 ... *57
Construction estimates for 1952 (charts & tables) Jan. 28 ... *125
Construction of distribution systems 1946-1950 (charts & tables) Jan. 28 ... *134
Construction of transmission lines 1951-1952 (charts & tables) Jan. 28 ... *134
Controlling steam temperatures (Ed) June 30 ... 52
Design trends in 92 of the newest power plants (chart insert) Apr. 7 ... *119
The economic outlook (Distribution for tomorrow) (charts) May 19 ... *133
EEI survey of electrical equipment (table) June 9 ... 46
Federal power budget sought for 1953, Jan. 28 ... 114
Generating capacity by regions, by ownership and installed capacity 1936-1951 (charts & tables) Jan. 28 ... *128
Industry easily handles '51 peak load (map) Jan. 21 ... 7
Kearny station of Public Service Electric & Gas grows larger (N) June 23 ... *24
Maintenance expenditures 1946-1950 (chart & tables) Jan. 28 ... 139
Merchandising vs non-merchandising power companies (chart & table) Mar. 24 ... *122
New customers in 1950-1951 (chart & table) Jan. 28 ... 140
Niagara Mohawk develops a training program for Albany Steam station. Helfter, Largay & Paige, June 30 ... *70
Number and installed capacity of electric utility generating plants by states and type of prime mover 1951 (table) Jan. 28 ... 130
Output from fuel, capacity, average use 1939-1951 (charts & tables) Jan. 28 ... *148
Private, municipal, state and power district construction expenditures in 1951, Jan. 28 ... *123
Production of energy 1937-1951 (chart & tables) Jan. 28 ... *146
Revenue from electricity sales 1938-1951 (chart & table) Jan. 28 ... 142
Revenues of the electric utilities 1948-1950 (chart & tables) Jan. 28 ... *154
Rural line construction 1946-1952 (charts & tables) Jan. 28 ... *136
Sales of energy 1938-1951 (chart & table) Jan. 28 ... *142
Statistical page unifies data for EW readers, Jan. 14 ... 75
Steam and hydro addition 1951-1954 (tables) Jan. 28 ... 132
Substations construction 1948-1952 (charts & tables) Jan. 28 ... *134
Summary of statistics 1944-1951 (table) Jan. 28 ... 122
Ten year forecast for the electrical industry (charts & tables) May 19 ... *136
Trends in electrical manufacturing 1925-1951 (charts & table) Jan. 28 ... *152
Wages and hours worked 1935-1951 (chart & table) Jan. 28 ... *150

Steam Stations and Developments:
Access holes save resurfacing of babbitted bearing, Pacific Gas & Electric, C. W. Smith, Jan. 14 ... *104
Atlantic City Electric makes pact with du Pont to supply electricity from new Greenwich plant, W. E. Caven, Feb. 11 ... *94
Car-dump signal lights visible in all weather, Mark Horn, Apr. 7 ... *162
Cast iron radiators replaced by hollow-fin type by San Diego Gas & Electric, Feb. 11 ... *122
Central Hudson Gas & Electric dedicates its Danskammer Point plant (N) Jan. 21 ... *8
Clogging in coal crusher prevented by deflecting plates, Scales & Steen, Mar. 24 ... *140
Coal-pulverizer ball classifying job, J. R. Osbourn, Feb. 25 ... *102
Color styling for steam power plants, E. J. Higgins, Apr. 21 ... 142
Columbus & Southern Ohio Electric Co. adds generator at Third Station (N) May 5 ... 80
Concrete cutter being used by Consumers Power, Feb. 11 ... *116
Consolidated Edison delivers steam-turbine lubricating oil by tank-truck, L. K. Murphy, June 2 ... *100
Contra Costa station addition helps Pacific Gas & Electric take a Coffin award, June 9 ... *7
Deionization cuts cost of treating feedwater, Mar. 24 ... 154
Design trends in 92 of the newest power plants (chart insert) Apr. 7 ... *119
Edge Moor station serves both local and system load, Dixon & Hammerquist, Jan. 14 ... *96
Gadsby station, Salt Lake City, achieves greater economy with new reheat design, E. M. Naughton, June 2 ... *90
Highgrove Station, California Electric Power, cut costs by side-entry condensers, Otto Hedrich, Feb. 11 ... *92
Italy's power plant in Larderello run by volcanic steam (N) Jan. 21 ... *35
Jersey Central Power & Light makes addition to South Amboy plant (N) Apr. 14 ... *9
Keep yesterday's instruments out of today's power plant, T. Y. Mullen, Apr. 7 ... *106
Lignite coal: power boiler applications, J. M. Drabelle (R) Feb. 25 ... 104
Lignite properties and application data, J. M. Drabelle (R) Feb. 11 ... 114
Los Angeles Dept. of Water & Power speeds repair job with special tools, F. R. Gould, Apr. 7 ... *142
Mecca to have steam plant with Moslem engineers (N) Mar. 3 ... 10
Mexico to end power shortage in Chihuahua with new steam plant (N) Apr. 14 ... *34
Missouri Valley floods did not catch the big utilities unprepared (N) Apr. 21 ... *112
Mobile dust-collector reduces maintenance costs, W. M. Yeknik, Feb. 25 ... *102
Montana Power Co. adds semi-outdoor plant at low cost, H. H. Cochrane, Feb. 25 ... *75
Older steam plants still have value (Ed) Jan. 28 ... 110
Operating experiences with ten cyclone-fired steam generators, Wade & Stone, Mar. 19 ... *114
Precipitator speeds fly-ash cleaning, Feb. 25 ... *102
Public Service Co. of New Mexico uses hydraulic jack to raise heavy equipment, H. A. Person, May 5 ... *114
Salt and limestone keep station yard weed-free, G. E. Hervey, Feb. 25 ... *98
Seal condenser inlet during chemical washing, W. E. Adams, Jan. 28 ... *172
Spray ash hopper with improved nozzle, Paul Hutson, Jan. 15 ... *116
Steam additions 1951-1954 (table) Jan. 28 ... 132
Steam pressure gages tested in place on panel, W. S. Adkins, May 19 ... *187
System map permits revision because it consists of two layers, T. M. Roberts, Mar. 10 ... *122
What's new in power systems, J. H. Foote, June 16 ... *108
Steel—Stainless steels, their compositions and typical heat resistant applications (table) (R) Jan. 28 ... *168
Strike menaces the industry (N) June 30 ... 56
Storage racks cut coil handling, A. J. Scott, Feb. 25 ... *106

Substations:
Balcony substations save floor space, June 16 ... *158
Consolidated Edison puts in service a substation on N. Y. City's West Side (N) May 5 ... *79
Drawbacks of old substations . . . give way to merits of unit types, G. S. Van Antwerp, May 19 ... *150
Electric hoists speed field inspection, Jan. 14 ... *118
Load center substations improve service, June 2 ... *114
Model aids designing new substation, W. S. Oxley, June 16 ... *132
Moving substation intact saves time and money, H. G. Haily, Mar. 24 ... *134
Reclosers reduce distribution interruptions to practicable minimum, Francis & Lameika, May 19 ... *156
Seven standard substations fit system needs from 4 to 220 kv, Morton & Nonemaker, Apr. 7 ... *114
Sperling substation, B. C.—precast wall units save concrete and steel, Jan. 14 ... *104
Substation construction 1948-1952 (charts & tables) Jan. 28 ... *134
Test substation aids high voltage research, June 2 ... *110
Welded members speed substation erection, June 16 ... *130

Switches and Switching:
Automatic heating control prevents condensation in switchgear, H. V. Nye, Jan. 14 ... *118
Automatic, low-cost switch transfers load quickly, J. F. Miller, May 19 ... *182
Lights indicate transfer switch position, F. E. Reeves, Jan. 14 ... *108
Limit switches, J. J. Mellon, Mar. 10 ... 182
Switched capacitors increase circuit capacity, Edwards & Brooks, Apr. 7 ... 146
Switched capacitors packaged for low installation costs, R. A. Munster, Feb. 25 ... *84
What control is best for switched capacitors? Tremaine & Cuttino, June 16 ... *120

T

Taxes—Joint staffs of Congressional committees planning cut next year (N) May 5 ... 87
Problems faced—promises seen, G. M. Gadsby, June 16 ... *105
Telephones—Bell Telephone companies liberalizes rules for making connections with power companies (N) Mar. 3 ... 24

Television:
Admiral to sponsor convention TV and radio (N) Feb. 25 ... 119
Central Arizona Light & Power rolls its own TV commercials, Apr. 28 ... *35
Dramatizing adequate wiring on television, May 19 ... *202
Effect of the TV thaw on utilities (Ed) Apr. 21 ... 105
Faces a slow "defect" (N) Apr. 21 ... *114
Industrial production program (N) June 30 ... 61
Outlook for television in 1952, Jan. 7 ... 39
Underwater television camera (N) June 2 ... *73

Testing and Tests:
Carrier frequency monitor proves very useful, H. J. Sutton, Feb. 11 ... *110
Current transformer test cubicle replaces 33 separate standards, N. B. Phillips, June 30 ... *94
Glove testing cage protected by lights and electric eye, Jan. 14 ... *114
Insulation tester locates faults safely, W. H. Blair, Apr. 21 ... 152
Metals comparator improves accuracy of hardness tests, Apr. 21 ... *161
New load ration control performance test is fast and reliable, S. Minneci, June 30 ... *88
Pressure regulator in a glove tester, June 2 ... *81
Public Service Testing Laboratory tests everything, Jan. 7 ... *16
"Pushbutton" meter testing, Cheshire & Radler, May 5 ... *100
Rubber goods testing machine checks four times faster, Mar. 24 ... *142
Safety in high-voltage laboratory testing, Stevenson & Hill, May 19 ... *176
Steam pressure gages tested in place on panel, W. S. Adkins, May 19 ... *187
Test cartridge fuses with modified flashlight, Arnold & Lease, Feb. 25 ... *98
Test distribution lightning arresters in five minutes, E. R. Coop, Mar. 10 ... *126
Trailer mounted 250-kv dc cable test equipment, J. C. Parker, Jan. 14 ... *105
Tidal power studied in New Zealand (N) Jan. 7 ... 18
Tide Water Power Co.—absorption by Carolina Power & Light (map) Mar. 3 ... *8
Tools—live line tools in custom-made cases, C. T. Dexter, May 5 ... *122
Trailers—Convert surplus Army vehicles for pole-handling service, V. J. Reilly, Feb. 25 ... *97

Training:
"Chef Schools" train Georgia Power sales personnel, Apr. 7 ... *174
Cleveland Electric Illuminating Co. stresses employee education, Apr. 7 ... *103
Job briefing promotes efficiency, A. B. Larsen, Mar. 24 ... *146
Kansas Gas & Electric supervisors make management team, Apr. 14 ... *22
Niagara Mohawk develops a training program for Albany Steam Station. Helfter, Largay & Paige, June 30 ... *70
Public Service of Colorado uses bus to bring training to the workers (N) June 9 ... *24
Transformer connections taught with hoop-up board, N. C. Carpenter, Mar. 24 ... *146

Transformers:
Cable entrance seal eliminates gasket unit, Victor Caradonna, Apr. 7 ... *156
correction June 16 146
Chicago area blacked out by transformer failure (N) June 23 ... 18
Hook-up board used to teach transformer connections, N. G. Carpenter, Mar. 24 ... *146

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Mobile transformer aids distribution service, Mar. 19 ..... *134
New load ratio control performance test is fast and reliable. S. Minnerl, June 30 ..... *88
Octagonal transformer enclosures cut underground system costs. Parker & Anderson, Mar. 24 ..... *124
Preferred standard transformers (Ed) May 19 116
Secondary system is best established segment of distribution. Harold Cole, May 19 ..... *152
Test cubicle replaces 33 separate standards. N. B. Phillips, June 30 ..... *94
Three-phase distribution transformer connections (R) Jan. 14 ..... *112
Westinghouse Electric shows the manufacturing steps for a 145,000-kva transformer, Feb. 18 ..... *20
X-braced truss speeds transformer bank installation, Westphal & Van Auken, Apr. 21 ..... *142

Transmission:

British Columbia constructing first 345-kv line in the Western Hemisphere, May 26 ..... *32
British Columbia Electric plans 345-kv line, largest on continent (N) Feb. 4 8
British Columbia's Kootenay Lake line span is 2 miles long, Apr. 28 ..... *32
Brush control methods on Delaware Maryland Virginia peninsula. N. L. Taylor, Feb. 11 120
Bulldozer blade cuts clearing costs on 110-kv line. Joe Hinds, Mar. 24 ..... *138
CIGRE discusses voltage practices. J. H. M. Sykes, June 23 ..... *32
Central Valley Project's power line crossing 400 feet above the Sacramento River (N) May 26 ..... *8
Construction of transmission lines 1951-1952 (charts & tables) Jan. 28 ..... *134
Design of hillside spans simplified. J. M. Huston, June 2 ..... *86
Disconnectible bus links developed by HPA permit isolation of transformers. J. A. Gerber, Apr. 21 ..... *146
Dolly of aluminum for line repair. H. H. Gnuse Jr., June 30 ..... *97
Dormant season brush control is easier and more effective. J. W. Suggitt, May 5 ..... *89
Farm methods stop right-of-way erosion in Louisiana. B. F. Chaffin, Mar. 24 ..... *132
Five ways to set poles in swampy and sandy soils. Pilsbury, Gillespie & Pollock, June 30 ..... *80
Helicopter used in England to lay power cable across wooded valley (N) Feb. 18 ..... *9
Herbicides and insecticides debated by Outdoor Writers group (N) June 23 ..... *9
Herbicides discussed at AIEE meeting, May 12 18
Hot line changes speeded by special crossarm, Feb. 11 ..... *104
Hot line tool halves splicing time, Jan. 28 ..... *164
Idaho Power disputes Interior Dept.'s "common carrier" provision on transmission systems (N) Mar. 17 9
Line truck fixture cuts pole moving costs. Verne Williams, June 30 ..... *99
Los Angeles suburb opposes overhead line (N) Mar. 17 34
Maintenance schedule extends tower life. J. N. Steed, Apr. 21 ..... *158
Minnesota 230-kv line faces defeat (map) Mar. 17 ..... *7
110-kv hot line arm replacement eliminates 5-hour outage. R. T. Anderson, May 5 ..... *96
Phase transposition is inconspicuous on 110-kv line. J. G. Hlavac, May 5 ..... *118
Pre-assembled towers cut erection time, Apr. 21 ..... *138
Remove bushing spacer with bolt and collar. J. H. Cravens, Feb. 25 ..... *110
Sacramento, Calif. school authorities ask for underground lines (N) Mar. 17 18
Save with overhead transmission (Ed) Mar. 24 102
Semi-flexibility reduces downthrust in H-frame. L. H. Kingston, Feb. 11 ..... *108
Separate relaying scheme coordinated with front-line relaying designed to protect transmission lines. A. J. McConnell, Feb. 11 ..... *90
Shoot lead lines across tough terrain with rockets, June 30 ..... *86
Skimping on conductor sizes cramps transmission capacity. R. M. Butler, Feb. 25 ..... *90
Southern California Edison installs concrete footings on transmission line towers, Apr. 7 ..... *150
Span length limitations for split-angle construction and dead ends (R) Mar. 24 ..... *144
Span length limitations for tangent and corner structures (R) Mar. 10 ..... *130
Special rack speeds conductor stringing, Feb. 25 ..... *106
Subtransmission links stations and serves distribution expansion (charts & tables) May 19 ..... *138
The Swiss daymark overhead wires near airports—why can't we? (Ed) Jan. 14 72
Swiss use of aluminum spheres, June 16 ..... *258
Toledo Edison provides firm foundation for tower with concrete footings, Apr. 7 ..... *165
Tornado damage repaired (N) Apr. 7 ..... *100
Trim show laden trees with 30-30 rifle, Apr. 21 ..... *159
USBR protest on Keating amendment curbing building of transmission lines (N) Mar. 17 8
Visual indicator spots flashovers. W. E. Scarborough, June 2 ..... *108
strung across by means of impro-
Yakima River, Washington—line strung across by means of improvised raft (N) Mar. 3 ..... *15
"Trees for Tomorrow" a reforestation program in Wisconsin and Michigan, Mar. 31 ..... *16

Trucks:

Additions extend use of aerial ladder truck. Harold Seitz, June 30 ..... *99
Cold weather starting aided by unit heaters, Feb. 25 122
Color scheme identifies winch controls on trucks. J. H. Winter, June 2 ..... *113
Consolidated Edison delivers steam-turbine lubricating oil by tank-truck. L. K. Murphy, June 2 ..... *100
Hydraulic lift aids tree crews, Apr. 21 ..... *152
"Load lugger" handles large reels of cable, Mar. 10 ..... *133
Pipe handling truck used by Toledo Edison Co., Apr. 7 ..... *142
Truck-tractor and crane carry poles over winding roads. M. M. Zellers, Apr. 21 ..... *146
Washington Water Power Co. has mobile home for relief operators (N) Jan. 7 ..... *18

U

Ultraviolet rays—Sauerkraut aging aided by ultraviolet lamps. L. Albertson, May 5 ..... *137

Underground construction:

Bell and spigot joint aids pipe-type cable installation. W. D. McCully, Mar. 10 ..... *118
Dirt loading machine cuts construction time, Jan. 14 ..... *114
Excavating machine shield protects both workmen and public. D. C. Hawley, June 16 ..... *138
Improved techniques save time and effort in pipe-type cable job. Welling & Geering, Mar. 10 ..... *116
Keep transformer manholes clean and ventilated. G. H. Pearsall, Jan. 28 ..... *160
Octagonal transformer enclosures cut underground system costs. Parker & Anderson, Mar. 24 ..... *124
Pull-boxes substituted for manholes effects savings at Southern California Edison. R. C. Blankenburg, Feb. 11 ..... *110
Venetian blinds safeguard underground crews, May 5 ..... *131
Union Electric starts 145 transmission line (N) Feb. 4 15
U. S. Army Corps of Engineers—Truman not to transfer civil functions to the Interior Department (N) May 5 80
U. S. Bureau of Reclamation—Arizona helps USBR celebrate Jubilee at Hoover Dam (N) May 26 ..... *22
Utah Power & Light—boiler going up (N) Mar. 10 ..... *94

V

Voltage regulation—Bus regulation plus capacitors takes care of system voltage. Pattison & Reed, May 19 ..... *147
Three steps to improve regulator applications. H. C. Brem, May 5 ..... *124

W

Washington Water Power case—battle resumed before U. S. Circuit of Appeals (N) Feb. 18 43
War continues (N) Mar. 31 ..... *43
Court lifts ban on sale of stock to PUD's (N) Mar. 24 111
Sale opponents present their views (N) Jan. 14 82
SEC or courts to rule on proposal to sell utility (N) Jan. 7 46
SEC asks court to lift ban on proposed sale (N) Feb. 25 71
SEC decides on jurisdiction (N) Jan. 21 43
SEC hearing delays sale (N) Jan. 28 118
Stock plant okayed by SEC (N) June 16 103
Waste water disposal by woods irrigation system. W. S. Dehaven, Feb. 25 ..... *120
Water Resources Policy Commission—Proposed law on river basins, Feb. 25 69

Welding:

Automatic welding speeds production, June 30 ..... *104
Four-head electric welder has three transformers located on balcony above welder, Apr. 7 ..... *168
Shop-welded prefabricated beams and columns speed substation erection, June 16 ..... *130
Tank welding, June 16 135
X-ray inspection improves weld quality, Feb. 25 ..... *122
Wind power—North of Scotland tries wind power (N) Mar. 3 ..... *43

Wiring:

Aluminum wiring pushed by government officials (N) Apr. 21 119
Home wiring estimator, Feb. 25 119
They're buying adequate wiring, June 16 154
West Penn Power billboards sell adequate wiring. Y. L. Ripley, Jan. 7 ..... *39
Wiring group proposes new copper formula, Feb. 18 40
Wisconsin-Michigan Power Co. planting trees in reforestation program (N) Mar. 31 ..... *6
Wisconsin Power & Light—newscarrier buys stock (N) May 5 ..... *85
